I am sorry I could not earlier answer your Enquiries relative to the persons in Mr. Murphy's pedigree – the best information I have been able to collect is as follows ——

' Timothy Murphy resides at Graiguenamana Co. Kilkenny & came I believe from the Co. Carlow –

' The O'Neils came originally from the North and bear the same Arms. ——

' Mary Walshe & the Walshes of Waterford are the same family ——

The family of Lincoln are entirely extinct in this Country – tho' formerly very reputable – their Arms not to be found here – the last of them I can learn any thing of was some time since titular archbishop of Dublin – I understand there are some of the family yet living there – & if not too troublesome to enquire may be found N.B. one of them was extensively in the mercantile business – not one of them here in any way —

' I inclose the Arms of Dobbyns from a Seal

The Arms of Elliott & Alderman Elliott are the same

I inclose a delineation of the Arms of Lambert —

Any further information that is necessary & can be procured here I will spare no pains for
